

# **The Great Texas River Clean Up**

## **San Marcos River**

### **37th Annual March 5, 2022**

On Saturday, March 5, folks from all over Texas will be participating in the world's longest river clean up. We will be picking up trash along most of the San Marcos River (approximately 60 miles).

**The City of San Marcos will hold their portion of the cleanup**, walking the banks of the watershed and the sections of river within the city limits. Those who would like to participate in the upper San Marcos portion of the annual clean up should visit: <https://www.sanmarcostx.gov/3308/River-Clean-Ups> and/or contact: [AThomaides@sanmarcostx.gov](mailto:AThomaides@sanmarcostx.gov)

**From San Marcos downstream (all the way to Luling - if we can)** canoeists, kayakers and rafters will be cleaning the river and the banks. The information from this point on refers to folks cleaning this downstream portion of the clean up.

#### **WHITEWATER PADDLERS**

There are some sections of river that require whitewater skills. For those sections, only persons capable of handling a canoe full of trash in whitewater should volunteer. This is primarily for section 2, 7 and 8.

**CANOE RACING ENTHUSIASTS** Some sections of river, like Staples to Fentress and Stairtown to Luling have long stretches with few bridge crossings and for that reason, we are asking canoe racers (especially teams that have competed in the Texas Water Safari) to volunteer for those sections: sections 5, 7, 8 and 10.

#### **FREE CAMPING**

Everyone participating in this event is invited to camp free at either Shady Grove Campground/ Spencer Canoes (they are offering one free night of

camping for volunteers) or at the San Marcos River Retreat Reservations required. For Shady Grove call: 512-357-6113. For the San Marcos River Retreat e-mail tomgoynes@mac.com or call: 512-787-5574

### **MEAL SATURDAY NIGHT, March 5.**

Starting at 5 p.m. on Saturday evening there will be to-go BBQ meals distributed to the clean up volunteers (who pre-register with a section leader by March 3) at the chapel at the San Marcos River Retreat. Because of covid, there will be limited indoor dining, but folks are welcome to social distance and grab a picnic table near the chapel or in the campground.

### **MEETING TIMES AND SHUTTLES**

Everyone is expected to contact the section leader for the stretch of river he or she intends to clean and reserve a spot on that team. Because of covid, we may have to limit the number of participants on any section. That leader will keep a list of volunteers and also make a note of folks who intend to receive a to-go plate of BBQ. The section leader will tell all the members in their group where they will meet on the morning of March 5. At that meeting, trash bags will be handed out and shuttles will be arranged.

**PRE-REGISTRATION: IT IS ESSENTIAL THAT EVERYONE PARTICIPATING IN THIS EVENT PRE-REGISTER BY THURSDAY, MARCH 3 (ESPECIALLY IF YOU WANT A TO-GO MEAL AND/OR A T-SHIRT). YOU MUST CONTACT A SECTION LEADER TO PRE-REGISTER. AND YOU SHOULD LET THE LEADER KNOW IF YOU CHANGE YOUR PLANS AND CAN'T PARTICIPATE**
